2018 – 2019 Winter Lesson Packages

Back by popular demand... "THE VINNY DOME" our HEATED HITTING BAY is ready for lessons, custom club fittings, and supervised practice sessions! You'll:

- *Make "Off-season" swing changes so you are ready for Spring*
- *Practice in a heated environment, even when it snows*
- *See your REAL ball flight instead of hitting into a net*
- *Juniors - prepare for Spring tryouts months in advance*

When the weather outside is frightful, you can still receive one-on-one instruction with PGA Professional Earl Gerlach in a temperature that is delightful! Swing video, Digital V1 analysis, and a FlightScope launch monitor track your progress and help set goals for improvement! 50-Minute practice sessions will include instruction on proper warm up and practice habits, while allowing you to swing and reinforce the instruction in the lesson.

5 – 50-MINUTE LESSONS AND 6 SUPERVISED PRACTICE SESSIONS **\$895**
Tour Level Package - Five lessons and plenty of supervised practice time to see progression and results!

3 – 50-MINUTE LESSONS AND 4 SUPERVISED PRACTICE SESSIONS **\$595**
Keep your head in the game! This package gives you just what you need to prevent regressing and keep your game sharp.

1 – 50-MINUTE LESSON AND 2 SUPERVISED PRACTICE SESSIONS **\$225**
Purchase this package for a quick tune-up or a fantastic Holiday Gift!

1 – HOUR HEATED PRACTICE SESSION (UNSUPERVISED) **\$40**
Just want to keep it loose? This 1-hour session includes the use of the dome, the heaters, all your range balls, and FlightScope Launch Monitor!

All lessons and supervised practice sessions will be booked through Earl at 970-223-4653. Sessions in the heated hitting bay must be booked 24-hours in advance and have a 24-hour cancellation policy. **No shows will count as a supervised practice session.**
